## What are the technical prerequisites for the participants?

We expect that participants will connect via their pc or laptop (with audio and video capacity).

Participants simply click the link 'Join the Meeting', in the email, to initiate the visit.

See YouTube video: <https://www.youtube.com/watch?v=fE5FnEUKtaE>

Participants are not required to have an account. However, if a participant has not yet installed the Cisco WebEx Meeting Desktop App on his/her computer, he/she will be prompted to run a temporary software to be able to participate to the meeting.

The browser allowing you to have a better user experience with WebEx is Google Chrome.

Please note that the connection to the WebEx platform via a telephone number is charged as a telephone call from abroad. It is therefore preferable to participate in the virtual meeting via a computer.

## When you are ready to join this virtual visit:

We kindly ask all participants to join us 10minutes prior to the meeting to have time to resolve any unforeseen technical difficulties.

Microphones of all participants will be muted by the host at the beginning of all presentation to avoid all unnecessary noises during visit.

Do you wish to intervene or to ask a question?

- Raise your hand' by clicking on the icon next to your name in the 'chat-box'.
- Drop your question in chat-box.

Your camera should ONLY be switched on:

- at the beginning of the presentation to allow the speaker to briefly see his/her audience.,
- when asking a question.

Close down all other applications on your computer to ensure best possible web-connection.

The programme is planned to be completely OFF THE RECORD. This will allow for a more relaxed contact between the speaker and the participants.

During the virtual meeting, a screen shot will be taken for the internal use of the EC exclusively. People who do not wish to be in the screenshot are asked to inform Stephane Verhoeven ahead of the meeting.
